

Guidelines

- Children must be at least 8 years of age to participate. Refer to the declaration on entry form.
- All Gratiot Downtown Art Expo submissions will be reviewed by the banner design selection committee and the chosen entries will reflect the wide diversity of community participants.
- Those who are chosen to paint banners will be contacted by March 17, 2020.
- Artists will paint their banners in April and early May.
- Banners will be hung by May 22, 2020. The location of each banner is at the discretion of the cities, though every effort is made to hang banners in the city in which the artist resides.

Anyone Can Participate!

The Downtown Art Expo is unique in that it involves the whole community. Although professional artists may submit a design, any individual has the same chance of being selected; adults, students, seniors, children and families are being asked to create a unique and vibrant gallery in the streets. This is a wonderful opportunity for community members to express themselves artistically, by entering a design and if chosen, painting a banner. These 'one of a kind' works of art will decorate the lampposts of Alma, Breckenridge, Ithaca, and St. Louis.

Banner Committee

The Downtown Art Expo committee is made up of community members who see the benefit of public art. For people wishing to volunteer to help during the various stages of the committee, please call Alma Community Art Center at 989-463-8366.
